Being a passionate people-person with over 10 years of experience as a professional dancer and in the hospitality industry; bringing tech and communities together is a dedication of mine. After a year and a half sabbatical, wire jewelry making and briefly attending Dev Bootcamp, I attended and graduated from Epicodus' 6 month program building web applications from scratch. Coding over a year and finishing my internship I am enthusiastic to bring my fullstack skills to your team/company.

Education

2017-08 - 2018-02	<div><b>Epicodus</b></div> <ul style="list-style-type: none"><li>• Lead by example/influence and deliver ideas compellingly</li><li>• Created an interactive learning tool that allows children the ability to create a personalized approach to learning</li><li>• Initiated a communication tool that streamlined information sharing and event planning for the class</li></ul>
2016-09 - 2017-05	<div><b>Dev Bootcamp</b></div> <ul style="list-style-type: none"><li>• Increased my knowledge in Practical Object Oriented Design in Ruby and algorithms</li><li>• Coached relieving stress techniques to peers</li><li>• Actively participated in Engineer Empathy lectures</li></ul>

Projects

<div><b>Vespolina Evento; Rails,HTML, CSS, jQuery, Bootstrap</b></div> <div>Vespolina Evento is an app that makes it easier to request reservation for an event at Vespolina. Live Site:https://peaceful-eyrie-37050.herokuapp.com/, Github: https://github.com/ElreyB/vespolina-evento</div>
<div><b>Generator; Angular 5, Bootstrap, HTML, CSS</b></div> <div>ChalkDoc application to generate worksheets for math teachers. Live Site: https://generator.chalkdoc.com/, Github: https://github.com/ElreyB/generator</div>
<div><b>Epic-Goose (Group Project); HTML, CSS, Javascript, Bootstrap</b></div> <div>Conceptualized and served as team lead on a choose your own journey story application following the story of "Goblin Market". Live site: https://elreyb.github.io/epic-goose/, Github: https://github.com/ElreyB/epic-goose</div>

Experience

2018-01 - 2018-02	<div><b>Intern</b></div> <div><i>ChalkDoc</i></div> <ul style="list-style-type: none"><li>• Identify and addressed tech debt</li><li>• Organized daily goals</li><li>• Refactored existing code base using higher order functions &amp; reduced total source lines of code by 60%</li><li>• Ensured consistent and thorough documentation</li></ul>
2005-09 - 2015-11	<div><b>Manager, Host, Event Planner</b></div> <div><i>Hospitality Industry</i></div> <ul style="list-style-type: none"><li>• Full cycled event planning for parties up to 100 people</li><li>• Comfortable working with high-end clientele, including celebrities and corporations</li><li>• Solidified relationships with repeat clients to deliver their party vision to reality</li><li>• Single-handedly created host manuals and trainings for four [high end] restaurants</li></ul>
