Being a passionate people-person with over 10 years of experience as a professional dancer and in the hospitality industry; bringing tech and communities together is a dedication of mine. After a year and a half sabbatical, wire jewelry making and briefly attending Dev Bootcamp, I attended and graduated from Epicodus' 6 month program building web applications from scratch. Coding over a year and finishing my internship I am enthusiastic to bring my fullstack skills to your team/company.

Education

2017-08 - 2018-02	Epicodus <ul style="list-style-type: none">• Lead by example/influence and deliver ideas compellingly• Created an interactive learning tool that allows children the ability to create a personalized approach to learning• Initiated a communication tool that streamlined information sharing and event planning for the class
2016-09 - 2017-05	Dev Bootcamp <ul style="list-style-type: none">• Increased my knowledge in Practical Object Oriented Design in Ruby and algorithms• Coached relieving stress techniques to peers• Actively participated in Engineer Empathy lectures

Projects

Vespolina Evento; Rails,HTML, CSS, jQuery, Bootstrap <p>Vespolina Evento is an app that makes it easier to request reservation for an event at Vespolina. Live Site:https://peaceful-eyrie-37050.herokuapp.com/, Github: https://github.com/ElreyB/vespolina-evento</p> Generator; Angular 5, Bootstrap, HTML, CSS <p>ChalkDoc application to generate worksheets for math teachers. Live Site: https://generator.chalkdoc.com/, Github: https://github.com/ElreyB/generator</p> Epic-Goose (Group Project); HTML, CSS, Javascript, Bootstrap <p>Conceptualized and served as team lead on a choose your own journey story application following the story of "Goblin Market". Live site: https://elreyb.github.io/epic-goose/, Github: https://github.com/ElreyB/epic-goose</p>
